14 ARIZONA WATER COMPANY, an Arizona corporation, ("AWC") through its
15 undersigned counsel, presents the following Application to extend its existing certificate of
16 convenience and necessity for its Casa Grande system. This Application is based on the
17 following:
18

19 1. AWC presently holds certificates of convenience and necessity issued to it by this
20 Commission in various decisions beginning in 1955 for the purpose of providing water service in
21 the City of Casa Grande and the surrounding area in Pinal County.

22 2. The area that AWC seeks to add to its certificated area is described in Exhibit #1,
23 which is attached hereto and incorporated by reference herein. Much of the area surrounding the
24 area described in Exhibit #1 is certificated to and served by AWC. Harvard Investments and
25 Core Group Consultants Ltd., entities that plan to acquire and develop a portion of the property
26 described in Exhibit #1, have requested that AWC provide water service to the property they
27

ORIGINAL

1 plan to acquire and to apply to the Commission for authority to include the property within
2 AWC's certificated area. Copies of letters from Harvard Investments and Core Group
3 Consultants Ltd. are attached hereto as Exhibit #2 and incorporated by reference herein.

4 3. AWC estimates that the total number of customers that may be served in the area
5 described in Exhibit #1 will be approximately 560 within five years following the date of the
6 filing of this Application.
7

8 4. A map showing the adjacent portions of AWC's present certificated area, the
9 anticipated 12" main extension to serve the developments, and the proposed additional territory
10 is attached hereto as Exhibit #3 and incorporated by reference herein.

11 5. A list of the owners of all of the property described in Exhibit #1 is attached hereto
12 as Exhibit #4. Each property owner will be mailed the public notice attached hereto as
13 Exhibit #5.

14 6. AWC is financially able to construct, operate, and maintain the facilities necessary
15 to provide service to the area described in Exhibit #1. A current financial statement for AWC is
16 attached hereto as Exhibit #6 and incorporated by reference herein.
17

18 7. AWC holds the necessary Pinal County franchise for the area for which it is
19 proposing to extend its certificate of convenience and necessity. A copy of the franchise is
20 attached hereto as Exhibit #7 and incorporated by reference herein.

21 8. AWC's by-laws do not require a corporate resolution on behalf of AWC in
22 conjunction with this Application.

23 9. Public convenience and necessity will be served by having AWC extend its
24 certificate of convenience and necessity to include the area described in Exhibit #1.
25
26
27
28

1 10. AWC proposes to utilize its currently authorized rates and charges for its Casa
2 Grande system for service to the area described in Exhibit #1. AWC will continue to charge
3 these rates until the Commission changes the rates.

4 WHEREFORE, AWC respectfully requests that the Commission hold a hearing on this
5 Application, and enter an order, or, in the alternative, that it enter an order without the necessity
6 of a hearing, which order shall provide for the following relief:
7

8 1. Issuing to AWC a certificate of convenience and necessity for the area described in
9 Exhibit #1 hereto.

10 2. Granting such other further and general relief as appropriate in the premises.

11 RESPECTFULLY SUBMITTED this 12th day of, August 2003.

Re: Expansion of CCN

Dear Mr. Whitehead:

We are acquiring 480 acres in Pinal County on the south side of Highway 287 between Overfield and Toltec Buttes Roads. Specifically, the Northeast Quarter and South Half of Section 29, T6S, R7E of the Gila and Salt River Base and Meridian. We would like Arizona Water Company to provide water service to the property. Please advise as to how we should proceed in this matter. Thank you.

**RE: FLORENCE COUNTRY ESTATES
HIGHWAY 287 AND CURRY ROAD
CC&N/LINE EXTENSION APPLICATION**

Please find enclosed a copy of our water plans for Florence Country Estates in Pinal County, AZ. These plans contain the designs for the on-site distribution system as well as an off-site water main along Highway 287 that connects with Arizona Water Company's existing 8" water main at Eleven Mile Corner.

At this time we would like to formally apply to have our proposed subdivision brought into Arizona Water Company's service area included within your Certificate of Convenience and Necessity ("CC&N") for Casa Grande, AZ. Additionally we would like to initiate the process of creating a line extension agreement for our proposed off-site water main.

We submitted our application for a Certificate of Assured Water Supply to the Arizona Department of Water Resources last week and have included a copy for your records.

Our client has asked that we use AWWA C-900 PVC pipe for our water mains. We would be grateful if you could review the use of this material instead of ductile iron pipe.

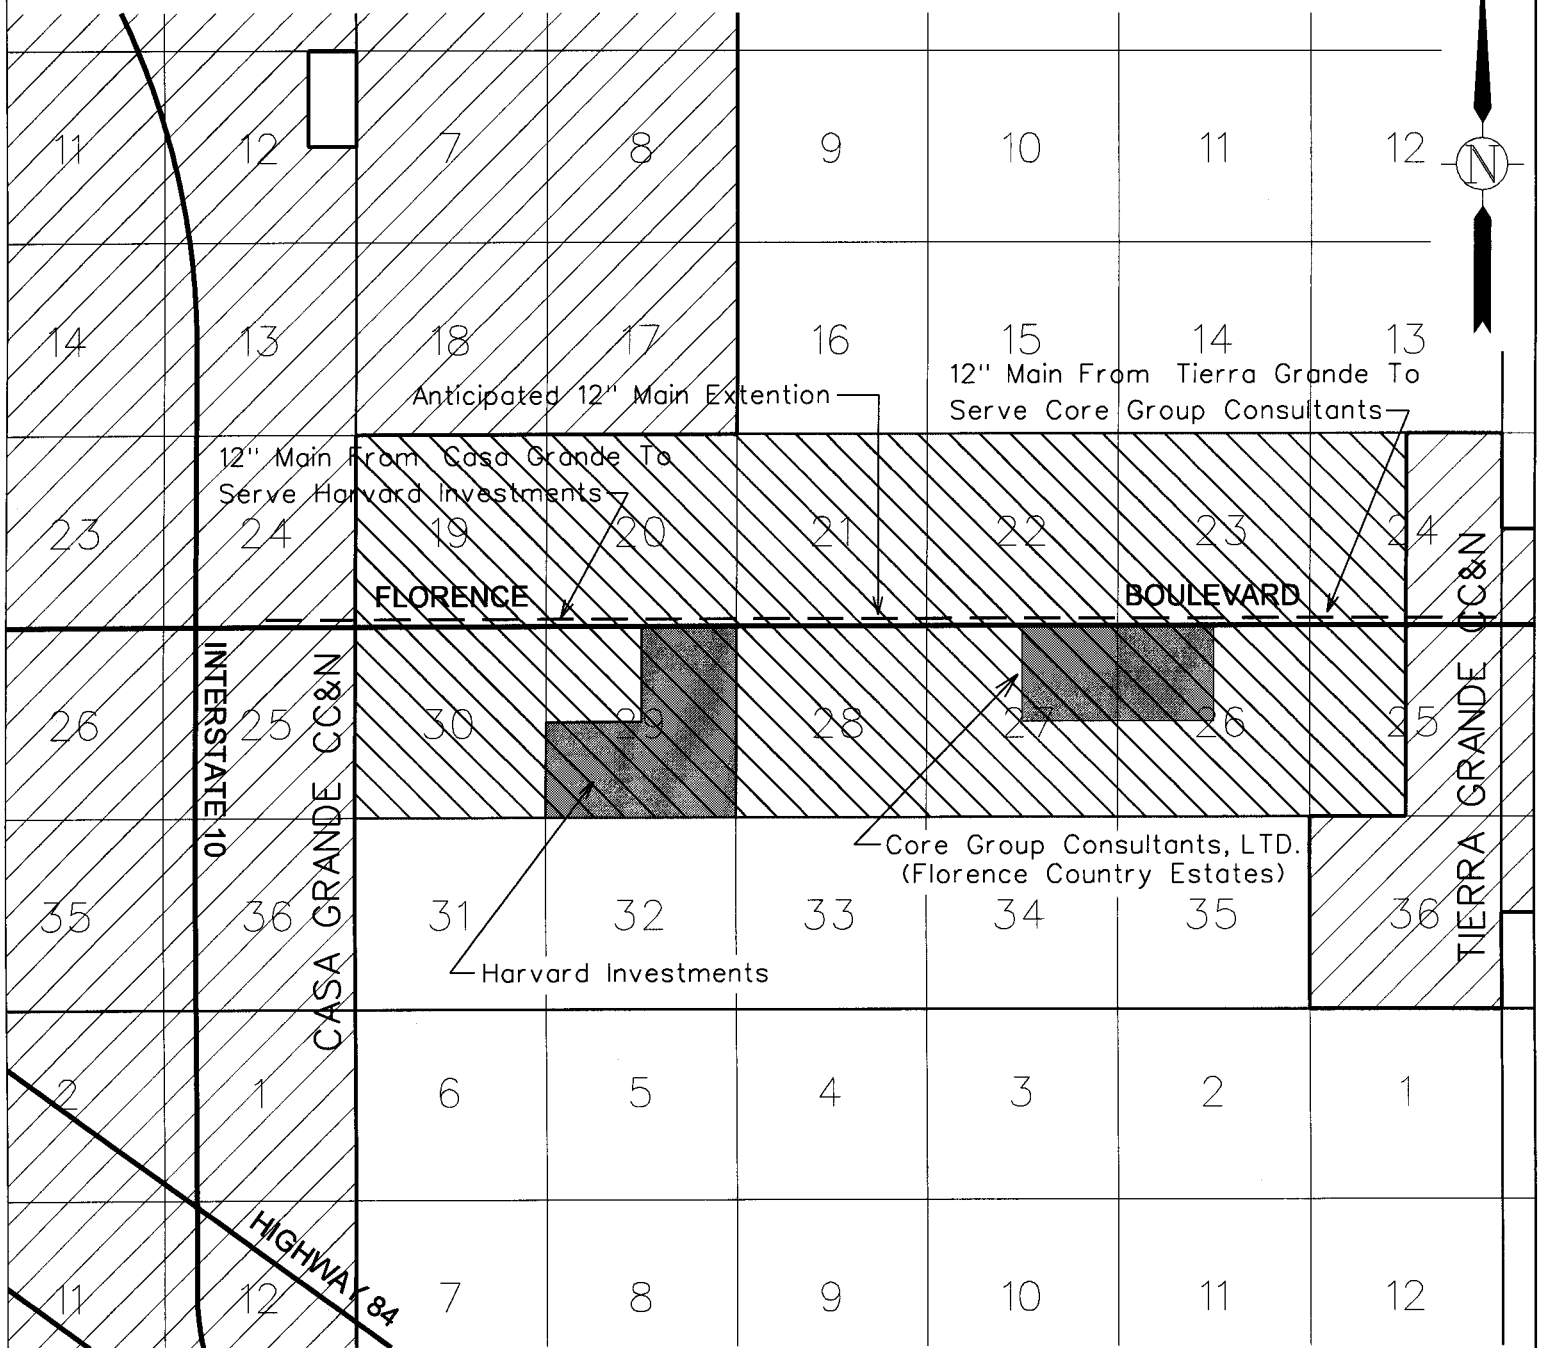

Should you require additional information please contact me at (602) 778-6876.

Yours truly,

SECTION 2. All facilities to be constructed pursuant to this franchise shall be constructed and maintained in accordance with established practices with respect to such streets, avenues, alleys, highways, bridges and public places of the County of Pinal. Prior to such construction, a map showing the location of such facilities shall be submitted to such persons as may be designated by said Board of Supervisors.

SECTION 3. In the event that any lines or related facilities installed or constructed pursuant to this franchise shall at any time be found to interfere unduly with vehicular and pedestrian traffic over such streets, avenues, alleys, highways, bridges, public roads and other public places the Grantee hereby agrees that it will, at its own expense, and within a reasonable time after notice thereof by said Board of Supervisors, remove or relocate said lines, or related facilities so as to minimize said interference. In all other instances the costs incurred in relocating any lines or facilities shall be borne by and added to the cost of the public or private improvement causing or resulting in such relocation.

SECTION 4. In the event that said Board of Supervisors, acting on behalf of the County of Pinal, takes action to dispose of unnecessary public roadways in accordance with the provisions of Arizona Revised Statutes 128-1901, et seq., said Board of Supervisors agrees to recognize and preserve each of the Grantee's prior rights of way or easements and rights under this franchise which are affected thereby, as they existed prior to such disposition, by including specific and appropriate language for that purpose in any legal instrument utilized for the purpose of accomplishing such disposition.

SECTION 5. In case of any disturbance of pavement, sidewalk, driveway or other surfacing, planting or ground cover resulting from Grantee's action pursuant to this franchise, Grantee shall, in a manner entirely satisfactory to said Board of Supervisors and the department having appropriate jurisdiction, replace and restore the paving, sidewalk, driveway, surfacing, planting or ground cover of any street, alley or other public way or place so disturbed in as good condition as it was prior to said disturbance. All such work shall be completed with due diligence.

Further, to avoid duplication of effort and untimely destruction of the street, the Grantee shall coordinate its construction and replacement

plans pursuant to this franchise with said department having appropriate jurisdiction.

SECTION 6. The Grantee shall save the County of Pinal harmless from expenses, claims and liability arising by reason of the exercise of this franchise by Grantee.

SECTION 7. The right, privilege and franchise hereby granted shall continue and exist for a period of twenty-five (25) years from the effective date hereof, and upon approval by said Board of Supervisors and acceptance by the Grantee, this franchise shall be deemed effective as of the date of approval of this Application.

SECTION 8. The right, privilege and franchise hereby granted shall inure to the benefit of, and be binding upon the Grantee, its successors and assigns.

SECTION 9. All resolutions and parts of resolutions in conflict with the provisions hereof are hereby repealed to the extent applicable to a franchised public service corporation.

SECTION 10. If any section, paragraph, subdivision, clause, phrase or provision of this resolution shall be adjudged invalid or unconstitutional, the same shall not affect the validity of this resolution as a whole or any part of the provisions hereof other than the part so adjudged to be invalid and unconstitutional.

SECTION 11. Upon the expiration of this franchise, if the Grantee shall not have acquired an extension or renewal thereof and accepted the same, it may continue operating its facilities and system within the County of Pinal until a new franchise can be effected with the County of Pinal.
